THANKS, THANKS, THANKS ...

To Tom KB2QUA for a super Field

Day. Not only did we prove that we can provide communications without

commercial power, but we did it in rainy, stormy weather. And we made a heck of a lot of contacts, too ... this year, instead of ATV, we had a RTTY station that worked Europe with ease. Thanks to Tom and all the helpers who made it a great event!

To George W3ZQS for a great picnic. Although it may not have been Madagasgar Mystery Meat, it was great food.

And everyone seemed to enjoy the festivity despite the inclement weather.

Thanks to George and all his assistants! To Dick KY3D and Greg N3MHO who I

inadvertently missed last month when I tried to list all who have helped thus far with public service events. Sorry guys.

To Gerry KE3DB and Gary KA3FZO for the extraordinary work getting a BBS station up and running in spite of Murphy's Law. Check it out ... KA3FZO -- 145.090.

To Gene N3RKN for a great demonstration of remote controlled model airplanes and rockets. Amazing what we could do with about the cost of one new handie-talkie ... hi hi.

To Tony WB3KGT and Bernie N3MRB for once again, providing the perfect location for Field Day and the annual Picnic.

To everyone who helps to make the Radio Association of Erie the outstanding community-service oriented organization it is ... with a reputation for providing communication support and radio help whenever and wherever needed. For all your support and continued efforts, my heartfelt thank you!!!

Don't forget the Ashtabula County

Hamfest and Computer Show on Sunday July 31st, 2255 West Avenue, Ashtabula, from 8 AM to 2 PM. Mobile check-in on 146.715.

Preparations continue on our own Hamfest to take place on Saturday,

Sept. 10 at the Franklin Township Firehall. The R.A.E. table is still accepting tax-deductible donations ... but please, nothing heavier than one person can handle. Call Bob N3FAW 866-3027 or myself Dan 459-2516 for pick-up.

By the way, our best wishes for a speedy recovery to Bob Schwimmer N3FAW who recently was involved in an auto accident. The "Guy Upstairs" was definitely on his side ... the car was totalled while he escaped with only a knee and ankle injury. The really amazing part is the fact that he had the presence of mind to call 9-1-1 himself and then call Betty (his XYL) before trying to exit the car. And "Hats Off" to Mike Rinn WB3IGK who, as Captain on the responding Erie Fire Dept. Team, made Bob feel more at ease under such stressful circumstances by the mere presence of a familiar face.

The next general meeting of the R.A.E. will be Thursday, August 4, 7:30 PM at the Red Cross Chapter House, 4961 Pittsburgh Avenue. Program for the evening is yet to be decided. As always, coffee and goodies at 7 PM.

HAMFEST MEETING: 6 PM preceding the general meeting.

73 and God Bless
